**Agenda Items:**

The primary purpose of this meeting was to interview two candidates to be hired as a facilitator for the Newhall Advisory Committee. A NAC subcommittee had reviewed resumes of 10 professionals who had responded to a job posting for the position, interviewed four candidates by telephone and selected the top two to be interviewed by the whole committee.

The candidates interviewed were Cindy Cook, principal of Adamant Accord, a mediation services firm located in Adamant, VT, and Kathleen Conway, an attorney located in New Haven, CT.

After interviewing each candidate, NAC members filled out an evaluation form. Kathleen Conway was the recommended choice for facilitator.
