**SECOND QUARTER 2007 PROGRESS REPORT
APRIL THROUGH JUNE 2007**

JUL - 3 2007

REMEDIATION DIVISION

A summary of investigative actions completed during the second quarter of 2007 to comply with Consent Order No. SRD-128 is presented below.

Actions Completed During Second Quarter of 2007

- Continued participation in Public Involvement Plan;
- Completion of quarterly sampling of ground water from wetland area north of Middle School Site;
- Collection and analyses of quarterly ground-water samples and accessible residential soil-vapor samples related to offsite volatile organic compound (VOC) plume. Two residential soil-vapor samples have yet to be collected due to continued scheduling conflicts in which the CTDEP has been notified;
- Completion of the field investigation and laboratory testing portion of a treatability study being performed to assess remedial alternatives for VOC-impacted soils located west of the tennis courts;
- Completion of soil investigation on Hamden Housing Authority property (249-251 Morse Street); and
- Submittal of status report regarding ongoing site investigations, preferred site remedy, supporting documentation and overall project schedule to the CTDEP.

Actions Proposed to be Completed During Third Quarter of 2007 (July 2007 through September 2007)

- Continued offsite soil-vapor and ground-water investigations described in the August 17, 2006 and December 11, 2006 CTDEP conditional approvals regarding October 3, 2005 and November 15, 2006 Supplemental Scopes of Study.
- Submittal of supplemental investigation report regarding soil investigations at Hamden Housing Authority property;
- Submittal of Focused Remedial Action plan for PCB impacted soils located west of tennis courts and responses to CTDEP comment regarding 2005 Final Investigation and Remedial Evaluation Report; and
- Continue participation in Public Involvement Plan.
