

**SOUTH CENTRAL CONNECTICUT REGIONAL WATER AUTHORITY
HAMDEN MIDDLE SCHOOL SITE**

**FOURTH QUARTER 2007 PROGRESS REPORT
OCTOBER THROUGH DECEMBER 2007**

A summary of investigative actions completed during the fourth quarter of 2007 to comply with Consent Order No. SRD-128 is presented below.

Actions Completed During Fourth Quarter of 2007

- Continued participation in Public Involvement Plan; and
- Initiated regional potable-water supply survey to evaluate potential for reclassification of ground water;

Actions Proposed to be Completed During First Quarter of 2008 (January 2008 through March 2008)

- Continue work on evaluating potential for regional reclassification of ground water;
- Submittal of letter report summarizing offsite soil-vapor and ground-water investigations results described in the August 17, 2006 and December 11, 2006 CTDEP conditional approvals regarding October 3, 2005 and November 15, 2006 Supplemental Scopes of Study.
- Submittal of supplemental investigation report regarding soil investigations at Hamden Housing Authority property;
- If CTDEP conditional approval is received, remediate PCB impacted soils located west of tennis courts and install additional monitoring wells southwest of Middle School Site for purposes of fully defining VOC impacts in ground water. The schedule for the work would be contingent on timing of the approval letter(s) and any potential conditions identified in the letter(s);
- Submit Focused Remedial Action Plan for VOC impacted soils located within the athletic field and west of tennis courts; and
- Continue participation in Public Involvement Plan.
