RE: Consent Order SRD-128
Newhall Street Neighborhood - Non-Public Properties
Request for Extension of Deadline for Submission of Application to Reclassify Groundwater

Dear Mr. Horn:

The Remediation Division of the Bureau of Water Protection and Land Reuse has reviewed the letter referenced above dated November 30, 2007 from Olin Corporation. The letter formally requests an extension of the deadline to submit an application to reclassify groundwater beneath the non-public properties from December 1, 2007 to March 30, 2008.

The above referenced letter is hereby approved.

Nothing in this approval shall affect the Commissioner's authority to institute any proceeding, or take any action to prevent or abate pollution, to recover costs and natural resource damages, and to impose penalties for violations of law. If at any time the Commissioner determines that the approved actions have not fully characterized the extent and degree of pollution or have not successfully abated or prevented pollution, the Commissioner may institute any proceeding, or take any action to require further investigation or further action to prevent or abate pollution. This approval relates only to pollution or contamination identified in the above referenced request.

In addition, nothing in this approval shall relieve any person of his or her obligations under applicable federal, state and local law.
