**Re: Notification of Application for the General Permit for Contaminated Soil and/or  
Sediment Management  
Non-Public Properties, Newhall Street Neighborhood**

Dear Mayor Henrici:

Olin Corporation has submitted an application to the Department of Environmental Protection for the *General Permit for Contaminated Soil and/or Sediment Management* on August 17, 2009 for the Newhall Street Neighborhood Site Non-Public Properties.

The General Permit allows for the staging, transfer, and temporary storage of contaminated soil and/or sediment.

For more information regarding the application, please refer to the Department of Environmental Protection's Waste Engineering and Enforcement Website at [www.ct.gov/dep](http://www.ct.gov/dep) or call the Department of Environmental Protection at 860-424-3372.

Sincerely,

OLIN CORPORATION
